

ECOAIR Desiccant Dehumidifier

Desiccant Dehumidifier

Decided that you want a DD322FW (formerly "X Dry") dehumidifier? Now you have a choice - [Classic](#) or [Simple](#). EcoAir is bringing the new Simple version to give you an exceptional value for money. If you are simply looking for a proven dehumidifier that works the same magic but with less functions, you've found it.

The Simple has the same capability as the Classic with the following differences:

Features	DD322FW Classic	DD322FW Simple
Controls	Electronic	Manual
Timer	Yes	No
Louver Direction	Preset	Manual
Humidity Settings	Preset values already configured	Variable on a rotary dial
Carry Handle	Top carry handle	Side hand holds
